

Here is your "welcome to the BBB" information package

* **BBB**

BBB is acronym for "Bellisserian Bureau of Bureaucracy" - don't take that too seriously.

BBB is a group of volunteers, focused on supporting the community of Belli (and the greater SL), and has backing by the Lindens and the Moles.

All BBB help and tools are provided free-of-charge, for Premium and non-Premium members alike.

BBB HQ is at <http://maps.secondlife.com/secondlife/Swordfish/203/58/35>

* **Resources to start with**

** The Gazette

Best resource on what's up in Belli is the weekly Gazette, published each Saturday morning: <https://lastditch.typepad.com/bbbgazette/>

** Information Groups

*** *BBBUG*

Also, once you have received a passport (see below), be sure to ask for inclusion in the BBBUG BBB Users Group at the BBB HQ to receive notes from BBB.

*** *Bellisseria Citizens*

Bellisseria Citizens group is not affiliated with Linden Labs, but a citizens-run group only, though a number of Lindens and Moles are present the group and will come in and join in chat in an unofficial capacity - except politics, religion and advertisements (e.g. SL shops).

* **Popular activities**

** Passports & Stamps

Passports and stamp hunting - passports can be requested at the BBB HQ signs (one for Belli citizens, and another for non-Belli residents). Just fill in the NC, add a photo (you can shoot a picture with appropriate background at the pose stand upstairs).

Passport Application Tutorial: "Adwyn Applies": <https://tinyurl.com/BBBTutor>

The passport can be used to obtain nice stamps at many locations - see

- the Gazette's Online Travel Guide <https://tinyurl.com/BBBOTG>

- resp. the StampFinder (StaFi) for a catalog of TP locations and stamps:

<https://robertrhodan.de/index-aTAU.html> (off-world) or in-world wearable StaFi HUD via the dispenser at the BBB HQ

** Personal Stamps for non-commercial locations and events

On request (and free-of-charge) for those interested in drawing visitors to their location BBB creates a stamp / delivers a stamp terminal for non-commercial locations, e.g. cafes, airports, events ... and announces this in the Gazette.

** Driver Licence / Licence Plate

For the fun of it, in addition to the passport you can obtain a driver license for various vehicles and a licence plate from the BBB HQ.

** Post Office

The BBB Postal system has been designed as a fun product, reflecting the RL handling of letter boxes. You cannot be spammed by bots or people sending you huge number of items as the whole sending side of the mail system cannot be auto entered at all. The system is set up so only a select number of people can send mail to everyone AND only if you come and collect it.

Here is your "welcome to the BBB" information package

You find Post Offices via the Online Travel Guide (link above).

* **Tools**

** Rez Zone Maps

If you are boat or plane owner, you can obtain rez zone maps at the BBB HQ. These are helpful when you prefer the adventure of sailing or flying to a destination manually instead of Tping, as they show you good starting points allowing you to rez your vehicle.

* **Decoration Advice**

- "Parade of Homes" (PoH) blog https://lastditch.typepad.com/belli_parade_of_homes/ with good advices
